

# Press Release

1 June 2010

## Appointment in SKOV Asia Ltd.

**Joergen Moeller Andersen** (46) has been appointed Climate and Production Specialist of SKOV Asia Ltd. with responsibility for project sales of SKOV systems for customers in the entire region.

Joergen has more than 19 years' experience with sales, projecting, installation and commissioning of SKOV systems on broiler farms. He gained his experience all over the world - Europe, Russia, USA, Asia, Australia and South Africa.

Due to his long experience within this field, he will also assist the other market-responsible staff members as regards specialist knowledge within broiler production. Furthermore, he will develop and train new sales staff and service engineers in SKOV Asia.

Joergen will be based at the office in Bangkok, Thailand.
